NEW CROP TIMOTHY SEED

Timothy Seed market unsettled - farmers in producing sections now busy threshing. Considerable variation in yields. Samples of first receipts show color slightly darker than expected, but as only a small percentage of the crop has been marketed it is too early to decide definitely about quality.

Today's value Dickinson's PINE TREE Brand Timothy Seed, our purity 99.60% or better.

\$4.00 per 100 lbs.
(\$1.80 per bushel)

f. o. b. Chicago, bags extra, prompt shipment, or later shipment if desired.

NEW CROP RED TOP

Farmers threshing new crop Red Top. Only a very small percentage of the crop has been sold. Farmers are reluctant sellers at present prices.

First threshings indicate good yields and nice quality. Trend of values, of course, will depend upon the demand the next few months.

Today's value Dickinson's ACE Brand Red Top, our purity 90% or better -

\$9.00 per 100 lbs.

f. o. b. Chicago, bags extra, prompt shipment, or later shipment if desired.

When in the market ask for Special Quotations for Carlots.
